

**Analysis of the production and trading
of broccoli and cauliflower
in Spain and the Region of Murcia**

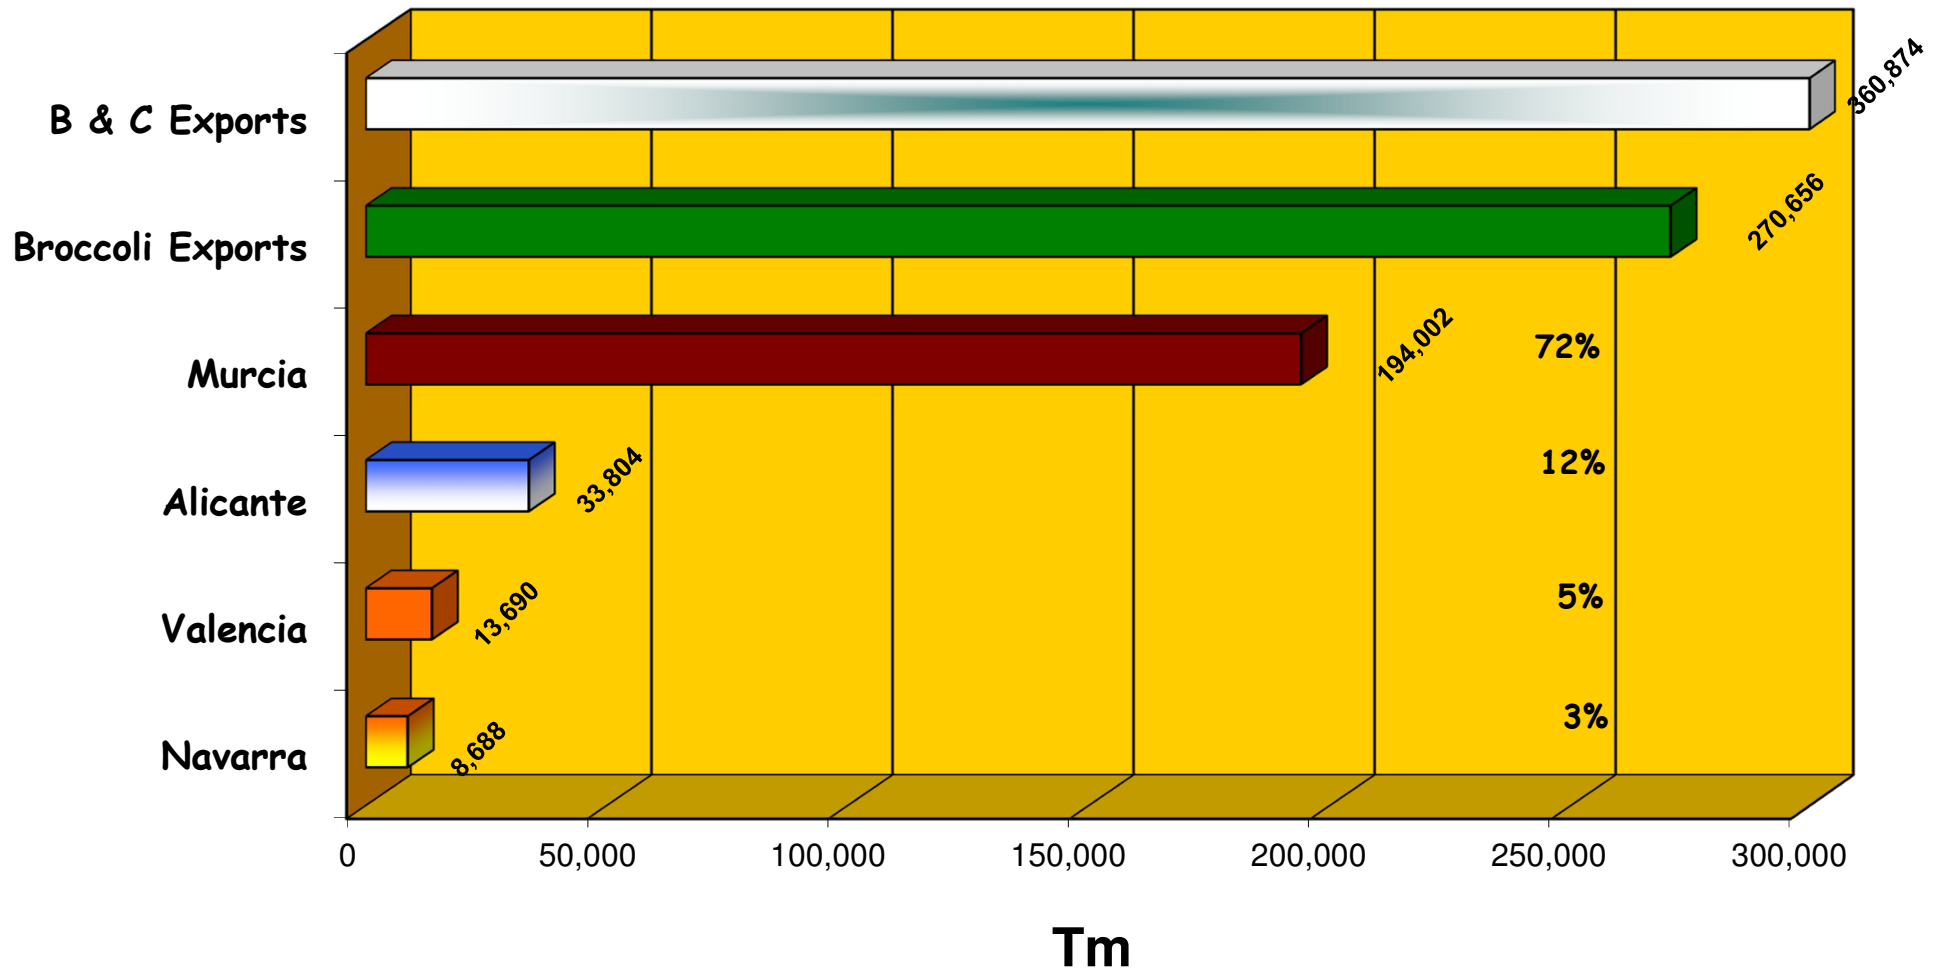

**BROCCOLI
PRODUCTION and TRADE**

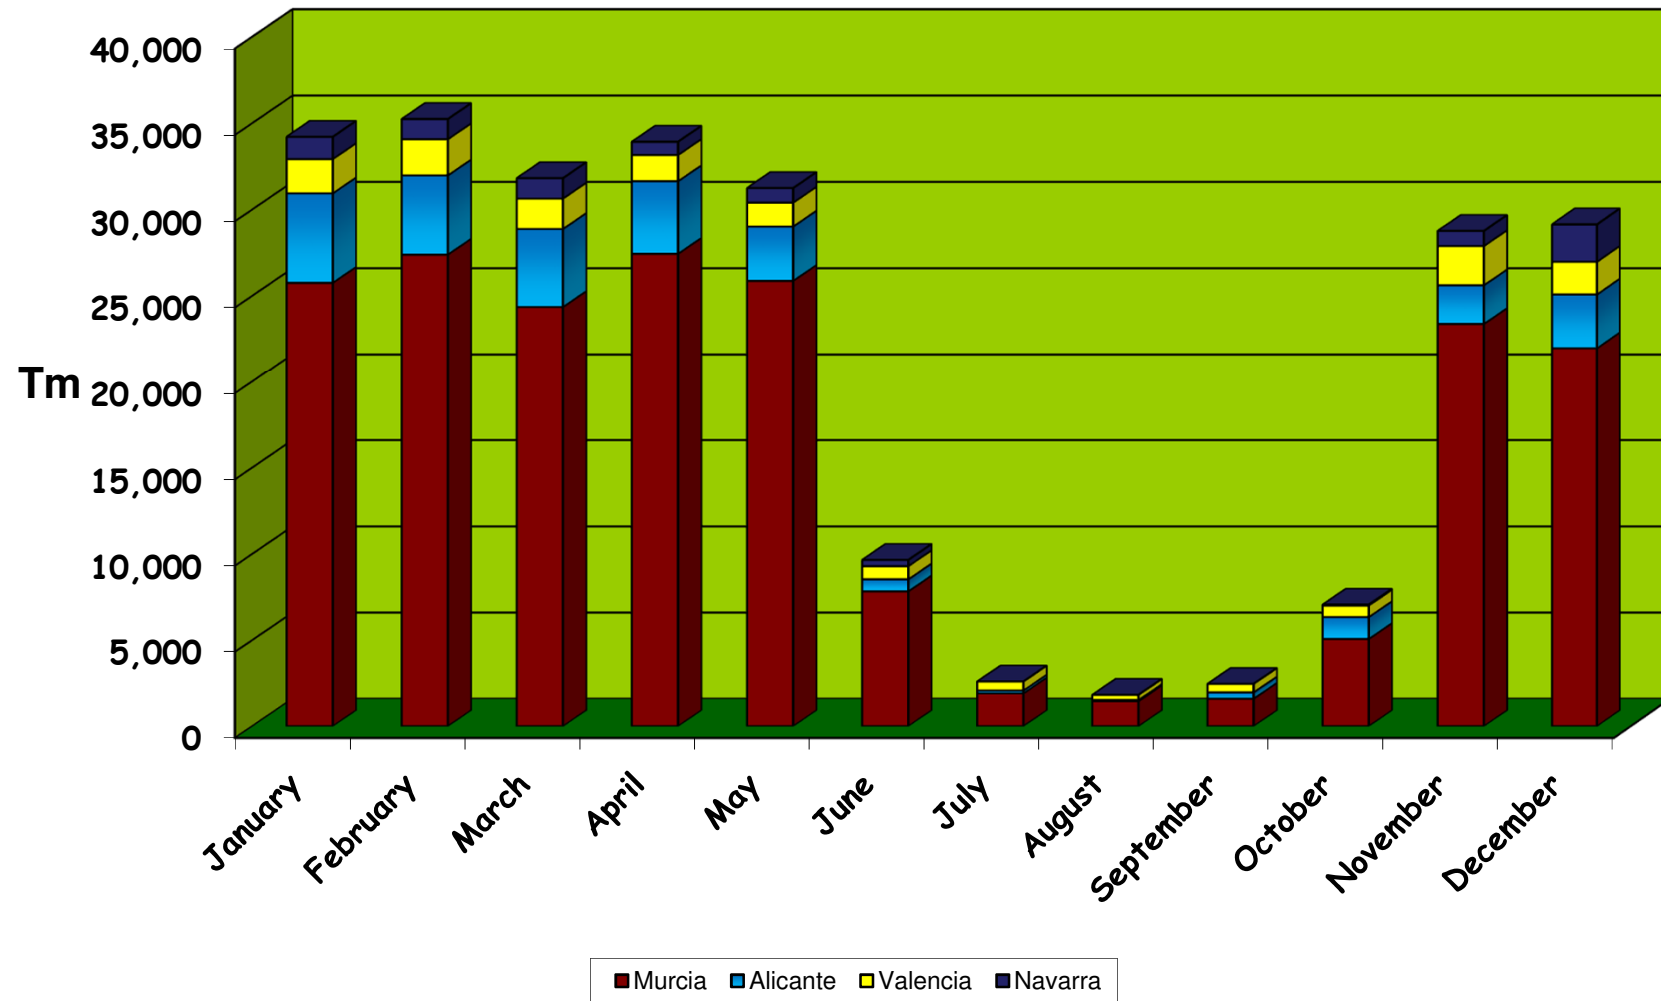

BROCCOLI USES (2013)

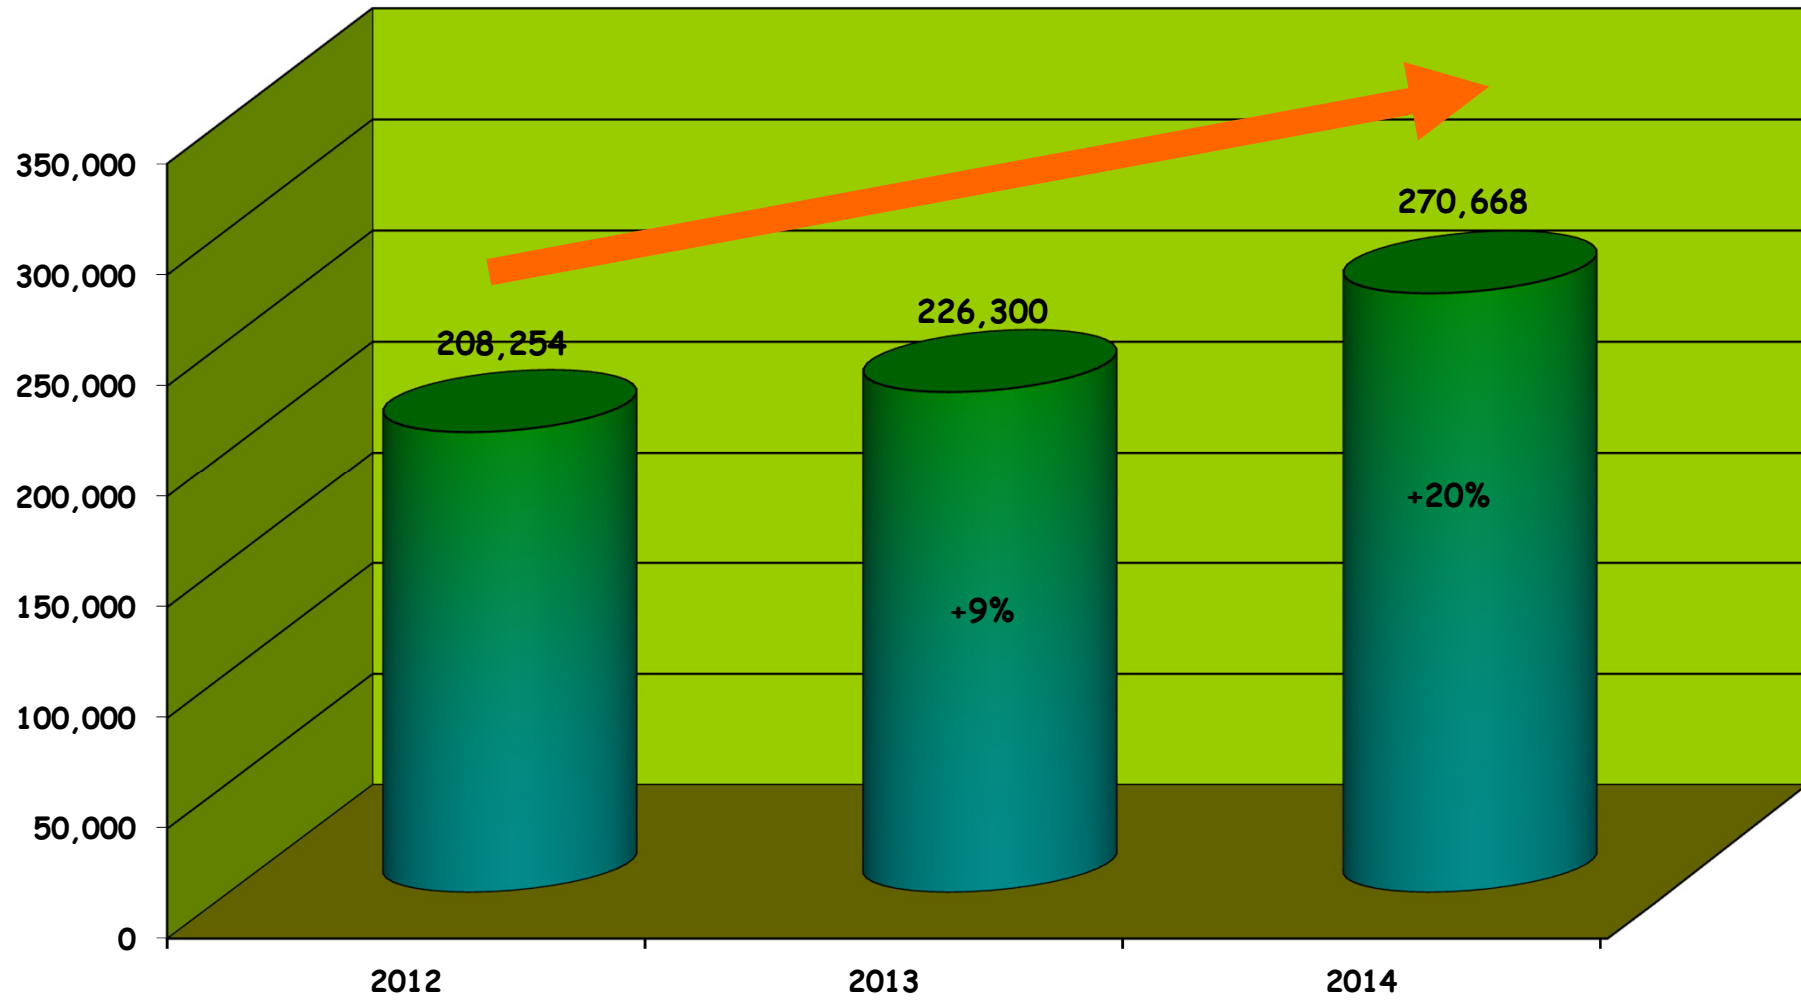

BROCCOLI Exports (2014)

Monthly BROCOLI Exports (2014)

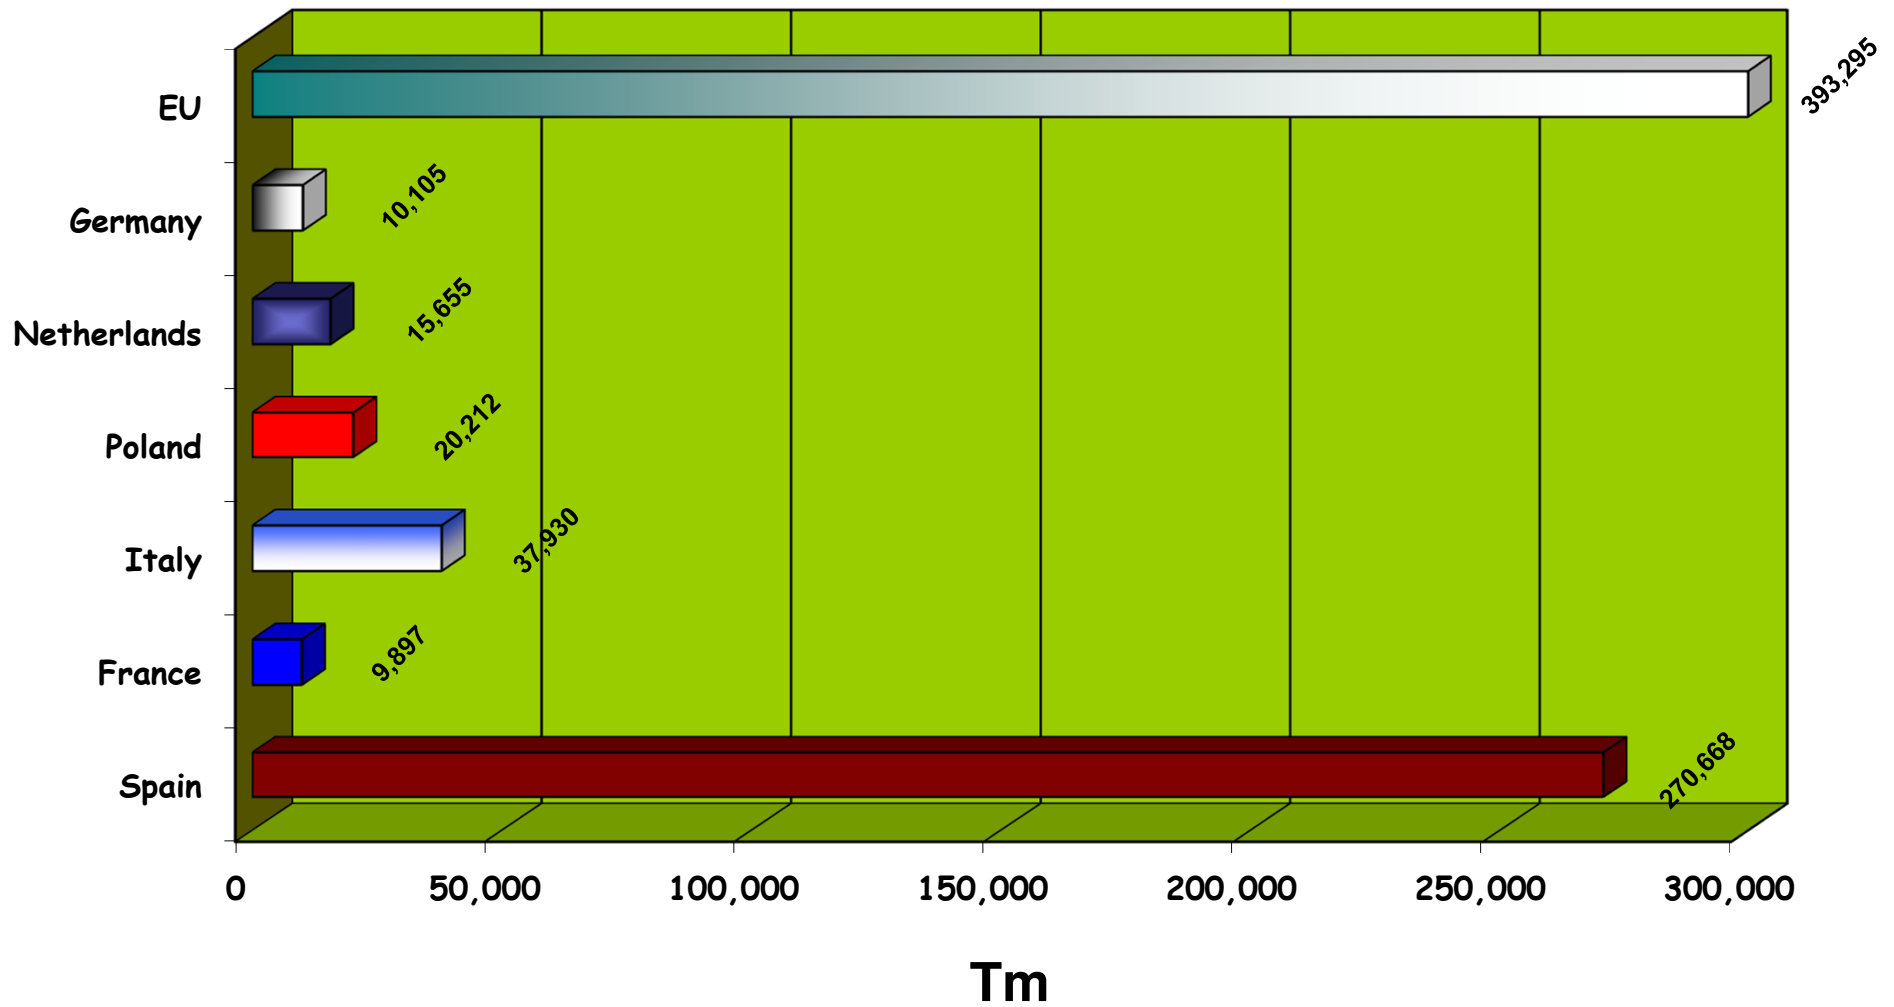

BROCCOLI Annual Exports SPAIN

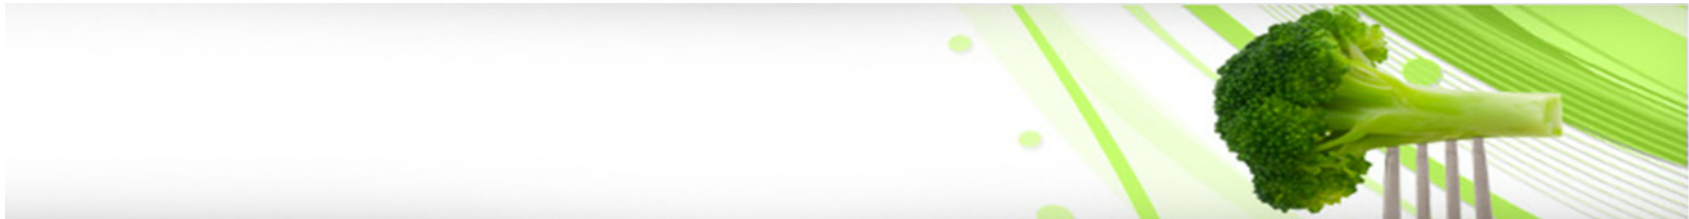

A close-up photograph of several broccoli plants growing in a field. The leaves are large, green, and have prominent veins. Some leaves have small holes, suggesting insect damage. The background is a blurred field of similar plants.

**BROCCOLI
EUROPEAN TRADE**

A close-up photograph of several broccoli plants growing in a field. The leaves are large, green, and have prominent veins. The plants are arranged in rows, and the soil is visible between them. The text "BROCCOLI PROEXPORT EXPORTS" is overlaid in the center of the image.
